Takeshi Ogawa, Plant Manager  
Toyocom Devices of America, Inc.  
1850 Prudential Blvd.  
Longview, WA 98632

Dear Mr. Ogawa::

Re: Modification of State Waste Discharge Permit No. ST 6185

The state waste discharge permit issued for your facility on July 31, 2002, is hereby modified as of this date in the following particulars:

- Increase of flow limit to 9,999 gallons per day

The enclosed revision of the permit is your official copy of the modification.

This permit modification may be appealed. Appeal rights extend only to the explicit modification and not the entire permit. Your appeal must be filed with the Pollution Control Hearings Board, P.O. Box 40903, Olympia, Washington 98504-0903 within 30 days of the receipt of this permit. At the same time, your appeal must also be sent to the Department of Ecology, Fiscal Office, P.O. Box 47615, Olympia, Washington 98504-7615, and to Ecology's Southwest Regional Office, P.O. Box 47775, Olympia, Washington 98504-7775. Your appeal alone will not stay the effectiveness of this permit. Stay requests must be submitted in accordance with Revised Code of Washington (RCW) 43.21B.320. These procedures are consistent with Chapter 43.21B RCW.

Any appeal must contain the following in accordance with the rules of the hearing board:

- a. The appellant's name and address;
- b. The coverage date and number of the permit appealed;
- c. A description of the substance within the permit that is the subject of the appeal;
- d. A clear, separate, and concise statement of every error alleged to have been committed;
- e. A clear and concise statement of facts which the requester relies to sustain his or her statements of error; and

f. A statement setting forth the relief sought.

Sincerely,
